The State Trails Program is actively working with other state and federal land management agencies to identify, designate/enroll ORV roads, trails, and open riding areas. PLEASE CONTACT THE LOCAL FOREST SERVICE AND BLM OFFICES FOR INFORMATION REGARDING ROADS, TRAILS, AND AREAS DESIGNATED FOR ORV USE.

State Parks staff may also have information about ORV roads and trails in the vicinity of their state park.

Please contact the local land manager for more information regarding winter or other seasonal restrictions. This map is intended for spring, summer, and fall ORV season only.

Any signing or closed gates on-the-ground take precedence over any designations marked on this ORV map.

This map is intended for use in the 2021 ORV season ONLY. Designated/Enrolled ORV roads and trails may change from year-to-year and it is important that you contact the local land managers for the most recent ORV enrollments. For more information call 307-777-6323 or visit a local USDA Forest Service office.

**Age and Education Requirements**

Operators that do not have a driver's license or permit (normally those 15 years old and under) can operate an ORV only on designated/enrolled trails, undesignated riding areas, and private property with permission. Operators over the age of 14 years with proper driver's license endorsement can ride on roads, routes, trails that are designated for ORV travel, and non-designated roads if the ORV is street legal. It is highly recommended that an adult accompany youth under 18 years of age while they ride. ORV operators should never ride alone, regardless of age.

**Equipment Requirements**

All ORVs are required to have certain equipment in working order while operating on public lands in Wyoming, including:

- Brakes sufficient to stop and hold the ORV.
- A headlight and tail light while operating between sunset and sunrise.
- Some land management agencies require a bright colored flag attached to the ORV, extending eight feet from the ground while operating on designated sand dunes areas.
- A muffler which does not exceed 112 decibels with an approved spark arrestor.

**Prohibited Uses/Behavior**

It is unlawful for any person to use an ORV in connection with acts of vandalism, harassment of wildlife or domestic animals, or in commission of a crime. It is also unlawful for anyone to operate an ORV in such a manner to cause resource damage, which can be defined as, but not limited to, damage to the environment by excessive pollution of air, water, or land, abuse of watersheds, impairment of public or animal life, or the creation of excessive noise.

**ORV Definitions**

**Off-Road Vehicle (ORV)** - Any recreational vehicle type 1, unlicensed motorcycle type 2, multi-wheeled motorized vehicle type 3. ORV Definition per Wyoming Statute WS 31-1-101 (K):

**Type 1:** "A recreational vehicle primarily designed for off-road use which is only four (4) inches or less in width, and has an unladen weight of one thousand one hundred (1,100) pounds or less. (Effective July 1, 2011)."

**Type 2:** "Any unlicensed motorcycle which has an unladen weight of six hundred (600) pounds or less and is designed to be ridden off road with the operator astride upon a seat or saddle and handlebars on two (2) tires."

**Type 3:** "Any multi-wheeled motorized vehicle not required by law to be licensed and is designed for cross-country travel on or over land, sand, snow, ice or other natural terrain and which has an unladen weight of more than nine hundred (900) pounds."

**Roads & Trails Designation/Enrollment Rules & Regulations**

**Roads** - That are not designated by land managers for Off-Road Vehicle travel, and are NOT ENROLLED in the trails program:

I. Generally should have a current license plate and be Street Legal (headlamp, tail light, brake light, red rear reflector, horn, left hand rear view mirror). WY Statutes: WS 31-1-101 (A)(x); WS 31-2-201; WS 31-2-204 (a); WS 31-5-901 through WS 31-5-970; WS 31-5-124; WS 31-5-1601

II. The operator must have a valid driver's license, with proper endorsement, and have proof of insurance. Note: "Endorsement 'M' is required for motorcycle operators if motorcycle is plated." WY Statutes: WS 31-5-124 (a)(i)(C); WS 31-2-201 (b); WS 31-5-1601; WS 31-7-108(f)

III. Motorcycle operators and riders under 18 years old by law must wear an approved helmet if motorcycle is plated. ATV/MPV operators and riders are strongly advised to wear helmets. WY Statute: WS 31-5-124 (a)(i)(B)

Note: All ORVs that do not achieve the maximum posted speed shall be required to have a slow moving vehicle emblem, and be operated to the extreme right hand side. WY Statute: WS 31-5-124 (c)(i)(A)(ii)

**ROADS and/or TRAVEL ROUTES** - That are designated by land managers for Off-Road Vehicle travel, and are ENROLLED in the program:

I. All ORVs must display a current State of Wyoming ORV registration decal. WY Statute: WS 31-2-703 (a); WS 31-2-702; WS 31-5-1601

II. The operator must have a valid driver's license with proper endorsement. Note Again: "Endorsement 'M' is required for motorcycle operators if motorcycle is plated." WY Statutes: WS 31-5-124 (a)(i)(C); WS 31-2-201 (b); WS 31-5-1601; WS 31-7-108(f)

III. Motorcycle operators and riders under 18 years old by law must wear an approved helmet if motorcycle is plated. ATV/MPV operators and riders are strongly advised to wear helmets. WY Statute: WS 31-5-124 (a)(i)(B)

**ORV must be registered.**

- BLM roads within the state are considered open for ORV use.
- A Wyoming State ORV Permit or a license plate is required on BLM lands.
- If a vehicle is licensed in a state other than Wyoming, a Wyoming registration sticker is required.

**Respectful Rider's Ethics**

**"Travel Lightly! Pledge"**

Travel responsibly on designated roads and trails or in permitted areas.

Respect the Rights of Others including private property owners and all recreational trail users, campers and others to allow them to enjoy their recreational activities undisturbed.

Educate Yourself by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely.

Avoid Sensitive Areas such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage.

Do Your Part by leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species, restoring degraded areas, and joining a local enthusiast organization.
